■ WIENER IT KONGRESS 1993

A conference on "Information and communication technology for the new Europe" will be held in Vienna from April 20 to 23, 1993. For the first time, it will be part of the Ifabo fair to be held from April 20 to 24. Johann Günther will be representing Alcatel Business Systems at the conference with a presentation on "Decentralized management and its organization" on April 21. More information can be obtained from Alcatel Business Systems International in Colombes. Telephone (+33-1) 47 69 46 69.
